

FRIENDS OF SUFFOLK CRAFT SOCIETY

The Friends are an important part of the Suffolk Craft Society. We are a group of people keen to support the work of craftspeople and our loyalty and enthusiasm are greatly appreciated. We help to promote excellence and appreciation of craft skills.

Our subscriptions and fund-raising activities help to support the Society. This might involve seed-funding for new initiatives or educational work, support for Private Views or publicity, amongst other things.

Many Friends also assist in practical ways by helping to supervise exhibitions and workshops. This kind of involvement is an invaluable help to the Society - please let the Secretary know if you are interested.

Friends receive regular newsletters, access to all Society information on our website, free entry to SCS exhibitions when charges apply, invitations to Private Views and an invitation to the AGM lunch – an enjoyable social occasion and an opportunity to meet Makers. Last but not least, Friends are entitled to a 10% discount on purchases at the Society's shows.

Paul Simmons
Secretary, Friends of Suffolk Craft Society
